### **Northwest Community Health Care's Foster Office is Now Open and Accepting New Patients**

Northwest Community Health Care announces the opening of its family medical practice at 142A Danielson Pike in Foster.

Tom Wachtel, MD

Joie Bassett, FNP

We are pleased to announce that Tom Wachtel, MD and Joie Bassett, FNP have joined our staff. Dr. Wachtel is board certified in Internal Medicine and Geriatrics and specializes in the provision of care to adults and the elderly. Joie Bassett is board certified in family practice and provides care to patients of all ages including newborns, children and adults. Ms. Bassett also provides annual GYN exams and women's healthcare services.

Dr. Wachtel is now onsite and providing care. Ms. Bassett will arrive on November 17<sup>th</sup>, 2008 but is now taking appointments. Northwest accepts most major insurances including Blue Cross, United Healthcare, Aetna, Neighborhood Health Plan, Medicare and Medicaid. We also accept major credit cards and offer special programs for patients with limited or no health insurance. Please contact us at 401-647-3702 to make an appointment.

Lifespan Laboratories services are also available onsite Monday through Friday 7:30 - 11:30 am. No appointment is required. For more information, please call Lifespan at (401) 793-4242 or (800) 980-4244.
